

Protecting Your Signs from Graffiti and UV Ray

WHAT CAN WE DO FOR YOU?

Graffiti is a problem that has strongly established itself throughout the world, particularly in inner city areas where it is extensively inflicted upon transport vehicles and buildings.

Graffiti is usually in the form of a simple 'tag' and large multi coloured 'murals', using materials such as spray paints, permanent markers and dyes.

Graffiti is a form of vandalism and damage to buildings and property is both unsightly and costly to remove.

First Signs & Labels has developed a two pack coating system, designed to overcome this increasing problem of graffiti. The system consists of a two pack anti-graffiti clearcoat plus a special Graffiti Remover, enabling unwanted graffiti to be easily removed.

Guaranteed protection from:

- Spray tins solvents Paint
- Permanent markers 99% of solvents used by vandals

We guarantee the 1% we can't protect! With a replacement sign.

Benefits

- UV Protection Enhances the look of signs with a high quality gloss finish look
- Easy clean Longer lasting looking signs
